

Davenport Named Secretary of Masonic Class

Richard Davenport, cashier of the Harrisburg National Bank, was honored at the convocation of the Mississippi Valley Consistory at East St. Louis this week, by being named secretary of the class of candidates receiving the 32nd Masonic degree.

The Consistory is an allied body conferring various Masonic degrees from the fourth through the 32nd, and the class is organized at each degree session as a memorial to some prominent Mason.

The class this session was named in honor of Albert Bayer, a 33rd degree Mason who died in 1955. Mr. Bayer was superintendent of the Shell Oil Company plant at Wood River.

The Rev. W. C. Dobbs, pastor of the Winstanley Baptist church of East St. Louis, was president of the class. Another officer from this area was State's Attorney Frank Bonan of McLeansboro, who was class orator.

Select Jury For Lawsuit Over Collision

Selection of a jury to hear a lawsuit which arose from a collision July 30, 1955, was near completion this morning in Saline county circuit court.

It is a civil action in which Carl Linder, Ruby Fields and James Fields of Chicago seek damages from Robert York and Lester York, administrators of the estate of the late Byford York, of McLeansboro.

Ruby Fields seeks damages for injuries and car damage and the other two seek judgments for injuries. Representing them are Atty. D. F. Rumsey and Atty. Traflet Dennis.

Representing the Yorks is the law firm, Twente and Jelliffe.

The crash occurred at the Ledford Crossing on Route 45 between Harrisburg and Carrier Mills. Robert York was driving a truck owned by Byford York at the time of the crash.

The jury yesterday returned a verdict against the Southeastern Illinois Electric co-operative in a lawsuit in which Sammy L. Sullivan, Hayes truck driver, the Hayes Freight Line and George Glass, Harrisburg trucker, sought damages, and immediately after the verdict Judge Harold L. Zimmerman ordered the empaneling of a jury to hear the case in progress today.

Yesterday's verdict gave Glass \$5,500 truck damages, the Hayes company \$2,000 trailer damage and Sullivan \$5,000 for injuries and for damages to the tractor pulling the Hayes trailer, which belonged to Sullivan.

The case involved a traffic incident on Route 34 south of Harrisburg May 22, 1956, in which the Hayes and Glass trucks were damaged and the SEIEC escaped without damage.

Representing Glass was Atty. James Sanders of Marion. Atty. Kenneth A. Green of Mattoon represented Sullivan and Hayes and the SEIEC was represented by the Harrisburg law firm, Twente and Jelliffe, and by Atty. James Karber of Shawneetown.

Three Autos Involved in Crash

Two autos were damaged considerably and a third sustained lesser damage in a crash at Poplar and Mill streets at 4:45 p. m. yesterday.

City police said that a car driven by Judy O'Neal, 18, Harrisburg, and Estelle Chaney, 36, Carrier Mills Route 1, collided when Miss O'Neal drove onto Poplar from Mill and that a car parked at Humm's garage on Poplar street was damaged some when struck by one of the cars.

Learn of Accidental Death of Lloyd Irwin, Former Local Resident

Word has been received by relatives of the accidental death of Lloyd Vernon Irwin, former Harrisburg resident.

Mr. Irwin, 34, was killed in an automobile accident in Pontiac, Mich., Thursday, according to information received here.

He is survived by his parents, Mr. and Mrs. Len Irwin and two sisters and three brothers, all of Pontiac.

Harrisburg relatives, with whom he had visited within the past year, included two aunts, Goldie Dalton and Hattie Malone, an uncle Roy Malone and two cousins, Thomas Edwards and Sybil McDole.

Funeral services will be held Monday in Pontiac.

Ford's Planing Mill Described In 1898 Article

MORE HARRISBURG HISTORY: Yesterday this department began gleaming from an anniversary edition of the Harrisburg Chronicle of 60 years ago—dated Oct. 28, 1898 to be exact—and came up with a few notions.

Today we go into Ford's planing mill at the foot of Vine street, operated by J. B. Ford.

Says the article in the 60-year-old Chronicle:

"In our review of Saline county's interest we note with no undue pride the magnificent manufacturing plant at the foot of Vine street, Harrisburg. Here we find covering over a plot of ground upwards of six acres, a wood working industry that easily ranks first among those of its kind in southern Illinois.

"The plant was founded twelve years ago by the present proprietor. The plant today forms quite a contrast to that of the inceptive introduction. Mr. Ford, then with limited capital, engaged in business accordingly. The machinery consisted of a plane and one saw, and a hired traction engine.

"It was the first mill of the kind to be erected in the county, and its merits soon brought it into prominence. As the trade increased additional machinery was brought into service, until a first class mill was the result. Four years ago the plant was moved from Locust street to its present location and now nearly everything that goes into the construction of a modern building is made there: Sash, doors, casing, mouldings, wood and slate shingles, finishing material, grill work and other items.

"Nearly 2,000 feet of steel trams lead from the mill to various parts of the yard and the railway shipping point. Special cars are used on the tram road. To guard against fire fatalities, Mr. Ford has in service a special water works. A hundred barrel tank towers high above the building, which by a system of plumbing and use of hose will furnish a forcible stream of water to any part of the building or lumber piles. This is augmented by numerous barrels of water conveniently placed throughout the steel cased and steel covered buildings. Water is obtained

Mt. Vernon Man Named Sup't State Division of Industrial Development

Succeeds C. W. 'Runt' Bishop to \$10,000 Year Post

SPRINGFIELD, Ill. — James F. Cannon, manager of the Mount Vernon Chamber of Commerce, Thursday was named superintendent of the state Division of Industrial Planning and Development.

Gov. Stratton's office announced the appointment here following a meeting of the division's advisory board.

The post pays \$10,000 a year. Cannon, 31, succeeds C. W. (Runt) Bishop, former Republican congressman from Carverville, who resigned Jan. 1.

Cannon has been manager of the Mount Vernon Chamber of Commerce for the past year. He attended Southern Illinois University at Carbondale, and in August,

1953, became executive director of the Metropolis Chamber of Commerce.

In May, 1955, he became executive director of the Bend-Gillespie Development Assn., and two years later went to Mount Vernon.

He is a Navy veteran of the South Pacific in World War II. He is married and plans to move his family to Springfield.

The planning and development division was set up by the Legislature in 1955 to help attract new industry to Illinois.

Stratton's office also announced promotion of W. M. Mitchell, Springfield, as engineer of administrative services of the state Highway Division.

Marshall succeeds the late Vernon Glover. He has been a Highway Division employee for 30 years and most recently served in the Springfield office and the division's bureau of design.

Stratton to Campaign Vigorously For 248-Million Dollar Bond Issue

Says Money Needed To Overcome Lag In State Buildings

CARBONDALE, Ill. — Gov. Stratton says he plans to "campaign vigorously" for the 248-million-dollar bond issue to be presented to Illinois voters in November.

He said the money is needed to "overcome the lag in buildings at state institutions." He said Missouri and New York recently passed similar proposals and that he was "quite hopeful" that the Illinois bond issue would succeed.

Stratton was interviewed Thursday by journalism students at Southern Illinois University.

Leslie Heath, 56, Prominent Ridgway Area Farmer, Dies

Leslie Heath, 56, prominent farmer in the Ridgway community, died at the Welborn Memorial hospital in Evansville at 2 a. m. today. He had been ill for two weeks.

He is survived by his wife, Babe; two sons, Earl of Ridgway and Joe of Tremont, and his father, Tom Heath of Louisville, Ky.

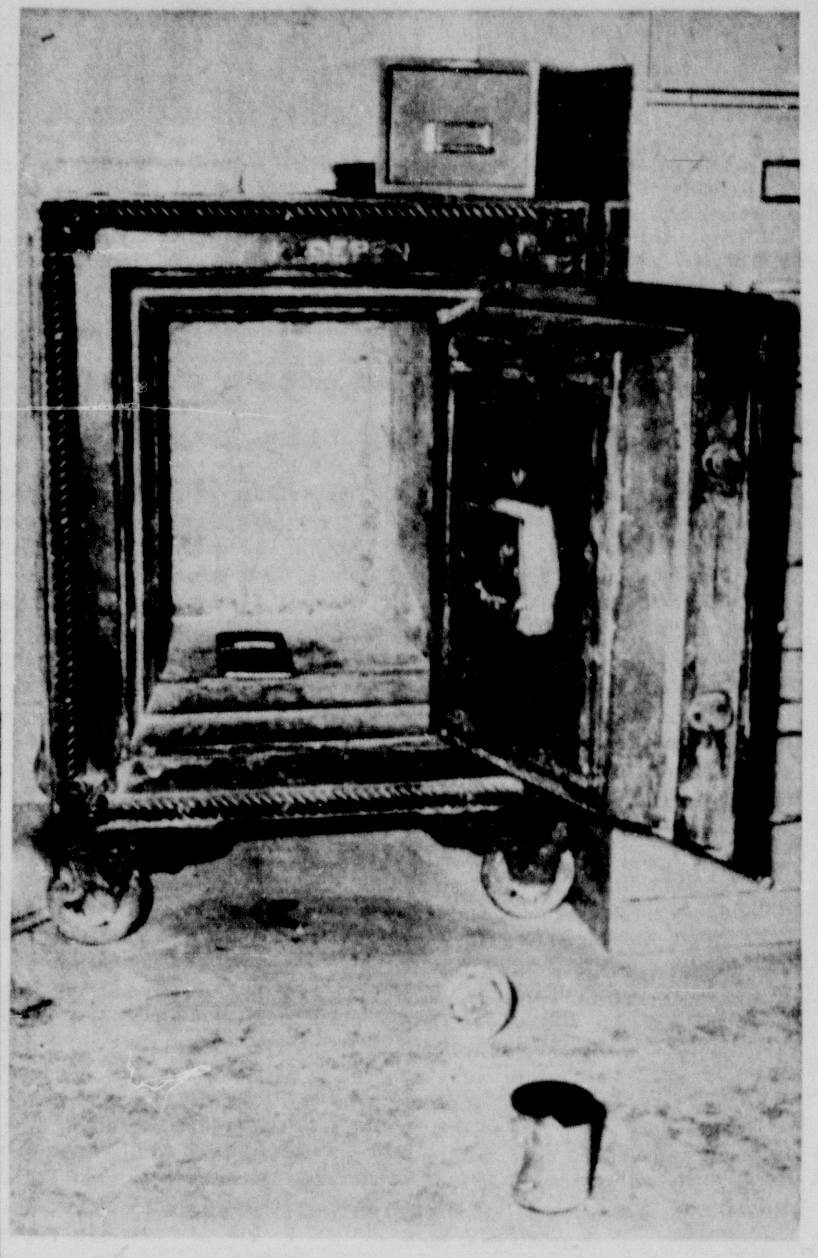

Funeral services will be held Sunday at 2 p. m. at the First Baptist church in Ridgway with Rev. L. C. Irby, church pastor, officiating. Burial will be in Jackson cemetery near Ridgway.

JACKSON, Miss. (AP) — Mrs. Dorothy Jean Gray filed suit for \$20,000 Thursday against a doctor and a nurse charging that the nurse severed her baby's thumb while removing a bandage with scissors.

Senate Leaders Promise To Consider Labor Bill

Rob Shawneetown High Safe

THE SAFE IN THE OFFICE at the Shawneetown high school, opened and robbed last night. Deputy Sheriff James Fox said burglars entered the school through a basement window, made their way to the school office where they knocked off the combination and opened the safe door, taking about \$300 in silver and \$100 in currency. The Gallatin county sheriff's department was investigating the burglary today.

Expect Early Senate Approval of \$577 Million Military Pay Hike Bill

WASHINGTON (AP)—Early Senate approval of a \$577-million-dollar military pay hike bill appeared likely today following its unanimous approval by the powerful Armed Services Committee.

In the words of Sen. Prescott Bush (R-Conn.), a member of the committee which approved the measure Thursday, the vote "certainly forecasts a happy voyage through the Senate."

A high Democratic source noted major objections are seldom raised

to Armed Service Committee recommendations.

The committee-approved bill, stressing proficiency incentives for officers and enlisted men rather than length-of-service pay raises, was trimmed from the 683-million-dollar military pay bill approved by the House.

However, it is still above the most recent administration proposal for pay boost with a 512-million-dollar price tag.

The bill, designed to help attract and keep highly trained men in service, will give a pay boost of at least 6 per cent to all members of the armed services.

It would authorize pay increases as high as 33 per cent for top ranking officers and 41 per cent for top ranking enlisted men. Enlisted men with special skills could get as much as \$150 a month more than their basic scale.

A major feature was a new item authorizing payment of "responsibility" pay to captains, majors, lieutenant colonels, colonels and their Navy counterparts who hold critical positions.

Lana's Daughter Is Released to Grandmother

HOLLYWOOD (AP) — Lana Turner hoped today to regain custody of her daughter, Cheryl, the 14-year-old who killed her mother's lover.

Cheryl was released from police custody Thursday, cleared of any crime in the stabbing of handsome Johnny Stompanato. But her glamorous, movie star mother was denied custody of her only child temporarily.

Santa Monica Judge Allen T. Lynch ruled Cheryl a ward of the Juvenile Court and put her in her grandmother's care for two months pending final disposition of the case on June 26.

Lynch's decision meant that Cheryl can never be tried for murder. She plunged a butcher knife into Stompanato's stomach April 4 after she heard him threaten her mother with mutilation.

Delegation to Discuss Gallatin Road Proposal With Gov. Stratton

When the delegation from the area meets with Gov. William Stratton at Springfield next Tuesday to discuss a proposed primary road which would be an extension of Illinois Route 142 from Equality south through the Garden of the Gods area, a Gallatin county proposal also will be discussed with the governor.

This project would call for a hard-surfaced road from Shawneetown to New Haven, passing near Ridgway.

Ralph Layman, 61, Former Resident, Dies in Arizona

Ralph Layman, 61, former Harrisburg resident, died Friday at 1:30 a. m. in Tucson, Ariz. He was born on Nov. 1, 1896.

Mr. Layman leaves his wife, Mary Pickering Layman, and three children, Mrs. Florence Berry of Tucson, J. B. Layman of Texas and Mrs. Fannie Lee Henshaw of Evansville, Ind. He also leaves seven grandchildren and his brothers, Ted of Mitchellville, Harry of Pontiac, Mich., Clyde of Waukegan and James of Evansville; his sisters, Mrs. Nora Pankey and Mrs. Anna Dempsey of Carrier Mills, Mrs. Margie Furlong, Harrisburg, and Arlie Layman of Evansville. He also leaves a host of relatives and friends in this area.

Funeral services and burial will be at Tucson.

Carterville Man Drowns

CARTERVILLE, Ill. (AP) — William G. Ball, 81, Carterville, drowned Thursday when he fell into a shallow pool while feeding minnows.

His body was recovered from two feet of water in a small pond behind the home of his son, Raymond, with whom he lived. A coroner's jury returned a verdict of accidental drowning.

Williamson County Coroner Adolph Fluck said Ball had taken a loaf of stale bread to feed minnows as was his daily custom. He said Ball apparently tripped over some rocks at the edge of the pond or became ill and fell into the water.

The body was discovered by Ball's daughter-in-law, a school teacher, who began a search after she returned home and found him missing.

Asks Damages in Circuit Court Suit

William Pittman of Galatia, whose car was damaged when it skidded and hit a culvert on Route 34 near Galatia March 11, 1957, asks \$1,500 auto damages from John Oslager, doing business as the Oslager Drilling Co., in a lawsuit filed for him in circuit court by Atty. L. M. Hancock.

The complaint says the defendant was engaged in an oil well drilling operation west of the corporate limits of Galatia and in moving vehicles on and off the highway a quantity of soil had been deposited on the pavement which caused the road to be slippery when wet.

It says that on March 11, 1957, the defendant's auto skidded on the slippery pavement at the spot and hit the culvert.

Administration Measure Offers Broad Proposals

Johnson Assures Eisenhower Plan Will Be Considered

By United Press

Senate Democratic leaders promised today to get general labor legislation before the Senate in June.

But they said they were against administration efforts to tack broad-scale proposals to a limited measure now being debated.

Before the Senate is a bill to regulate labor welfare and pension funds. Senate Republican Leader William F. Knowland forced discussion of broader legislation by offering what he calls a "labor bill of rights" as amendments to the measure.

The administration thereupon offered its own general labor proposals for protecting union funds, insuring democratic processes in unions, and changing some parts of the Taft-Hartley law.

In offering the administration program, Sen. H. Alexander Smith (R-N. J.) expressed fear it would not receive adequate consideration in committee and was "too important to be passed over."

But Senate Democratic Leader Lyndon B. Johnson assured Smith that all of President Eisenhower's proposals will get committee consideration. He also promised the Senate a chance to act on them—but only after union and employer representatives get a chance to discuss them in committee.

Meanwhile, the Senate scheduled another night session tonight and a Saturday session to get on with the welfare-pension fund bill and assorted amendments.

Other congressional news:

Reorganization: Defense Secretary Neil H. McElroy told congressional critics of President Eisenhower's defense reorganization plan that he is willing to try to work out a compromise with them. McElroy voiced hope that they can come to terms as he completed four days of testimony on the embattled proposal before the House Armed Services Committee.

Economics: GOP Gov. William G. Stratton, chairman of the governors' conference, urged Congress not to cut income taxes. He said a general tax cut to relieve the recession might further aggravate inflation. Stratton testified before the House Banking Committee.

Unemployment: The House Rules Committee put off action on a Democratic-sponsored bill that would extend and expand jobless pay benefits. Republican foes of the plan will testify Monday, according to Chairman Howard W. Smith (D-Va.). Debate was scheduled for next Tuesday.

Foreign Aid: The House Foreign Affairs Committee approved a \$3,600,000,000 foreign aid bill, some 339 million dollars less than requested by President Eisenhower. The bill's biggest battles are still ahead.

Falls to Death When Porch Rail Collapses

ST. LOUIS (AP) — Louis Schmidt, 62, fell to his death Thursday when a porch rail gave way and he plunged three floors to a concrete pavement.

Police said Schmidt, a janitor, was preparing to empty trash cans when the metal rail collapsed. He fell 40 feet.

Foul Plot Foiled

Editorial—BY BRUCE BLOSSAT

Little noticed during the excitement of the opening of the 1958 baseball season was a judicial ruling made a few days ago that may well serve as an important precedent toward preservation of the ancient right of caveat basellus—or "Duck-I've got it!"

Seems an irate Milwaukee woman, who had been beaten by a foul ball at County Stadium, was suing the Braves and the county on charges that the ball park was not a safe place for an innocent and unsuspecting fan.

In his 17-page decision, John L. Coffey dismissed the suit, saying that a ruling for the plaintiff might necessitate screening the entire park for protection of the spectators, thus ruining "the excitement and enthusiasm" of chasing a foul ball in the stands. In sum, it could "doom" the national pastime.

Let the game resume.

IN THIS PLAY TONIGHT—Members of the cast of "The Staring Match," a two-act fantasy to be presented at 8:15 p. m. today in the Bonnell Gym at the Harrisburg Township high school by the Thespian Troupe, are shown in scene above. The Washington Merry-Go-Round

By DREW PEARSON

DREW PEARSON Says: Israel celebrates 10 years of determination; her long-range dangers from Arab world increase; Kremlin timetable in Near East also menaces U.S.A.

WASHINGTON — This week marks the tenth anniversary of a little country founded in tears and built in Travail—Israel. Twenty-four hours after it declared its independence seven Arab nations attacked on three sides. King Farouk of Egypt was so sure of marching into its biggest city that he had a stamp printed featuring his picture. Underneath was the word "Tel Aviv."

Farouk and the Egyptian army never got to Tel Aviv. The Israeli army eight years later would have got to Cairo had Eisenhower and Dulles not intervened.

The fiery determination that stopped seven Arab countries in 1948 and which routed the Russian-armed, vastly superior Egyptian army in 1956 is the secret of Israel. It's a nation built on the

suffering of the exiled tribes of Israel, built on the dream, nurtured during 20 centuries, that someday the Jews would come back to a home of their own; built as a living memorial to the 6,000,000 Jews burned in the gas chambers of Hitler.

All this is behind the dedication, the determination, the pioneering spirit that has made Israel.

You have to go there to understand it. You have to see the bulldozers pushing rocks—rocks eroded since the days of Abraham, millions of rocks pushed aside so that crops can be raised in little patches of clean soil underneath.

Or boys and men and women painfully picking up the rocks and putting them on stone fences to line the little patches of soil being cultivated to feed the sons of Abraham.

THIS IS ISRAEL. And you have to see the trees—millions of trees, imported from similar climates in Australia, contributed by Jews all over the world, carefully planted along the roadsides and the highways.

You have to see the irrigation works, the Yarkon project, no bigger at its headwaters than Rock Creek which ambles through Washington; one-fourth the size of the Schuylkill which runs through Philadelphia; one-thousandth the volume of the Hudson as it flows past Manhattan. Yet the headwaters of the Yarkon, every drop of water cherished like gold, spreads out over the plain of Sharon and makes the Negev desert bloom 50 miles away.

Or you have to see the farm settlements—refugees from Hitler living next to refugees from Nasser, along with refugees from Poland or from Algeria or Yemen. At first they have only one bond in common—their religion. They speak no common language, have been separated by the centuries. But they learn Hebrew, and their children learn to know each other and to marry each other, and soon out

of a melting pot of diverse nationalities has grown a close-knit, co-operating, thriving community. This is how Israel has grown.

Or you have to see the children—buoyant beautiful children, as radiant and healthy as any in the U.S.A.; or the old people as they go down to bathe in the warm Mediterranean; the Moslems at their prayers; the Christians at their worship in the cathedrals of Jerusalem and Nazareth; the schools, the universities, the camels and the caravans, and the new railroad cars contributed by West Germany as a token of penitence for the soap factories of Hitler.

Or you have to see the hospitals, where men like Dr. Haim Sheba, Pioneer new Near East medicine; where Arabs are given the same treatment as Jews; and where Egyptian wounded, taken in Sinai, were nursed back to life. You have to know that doctors from Israel, though overworked, have been loaned to the new African republic of Ghana and to the new republic of Burma; and that the scientific discoveries for eradicating flies, mosquitoes, Near Eastern diseases have been made available to the Arab states.

DANGER OF WAR

On one side of Israel lap the blue waters of the Mediterranean, warm and friendly. On the other three sides are deserts and mountain ranges, from which peer Arab guards, ever on watch, ever posing the possibility of border raids. Beyond them several million more Arabs vow vengeance, await the day when they can do what King Farouk and Colonel Nasser failed to do—conquer Israel.

So Israel on her tenth anniversary faces a greater crisis than ever—not immediate, but eventual. From the Near East last September I reported the Kremlin timetable it was: Unite Egypt and Syria; subvert Saudi Arabia and Jordan; overrun Lebanon; bring all the Arab states with their 70 per cent of the world's oil reserves under Moscow and Nasser. That timetable is running on schedule. Egypt and Syria are joined. A new ruler has virtually taken over Saudi Arabia. Pro-Nasser riots are disrupting Lebanon.

All the problems of the Near and Middle East are tied up together. They cannot be solved separately. What the French do in Algeria affects oil in Saudi Arabia and affects the Jews of Israel. And what Nasser does in Syria and Egypt affects not only Israel, but industry in France and Western Europe and the United States. If oil for the factories of Europe is not forthcoming through the Suez Canal, the French must get it from Algeria.

This is the most complicated problem facing the free world. It's a problem which carries the greatest potential for war. Yet there are some solutions, as this column will endeavor to point out in the near future.

First Methodist Church Circles Meet Wednesday

The Women's Society for Christian Service circles of the First Methodist church met at 2 p. m. Wednesday as follows:

Naomi circle met at Wesley Center with Mr. R. Ward Oment and Mrs. Frank VonLien, hostesses. Mrs. Alvin Render presented the lesson, Mrs. Earl Mitchell the devotion and Mrs. Clyde Harding led the prayer group. There were 13 members present.

Dorcas circle met with Mrs. J. A. Bottomley, whose assistant hostess was Mrs. Eltis Henson. Mrs. Ruth Raley presented the lesson and Mrs. H. O. Buell gave the devotion. There were 15 members present and Mrs. Robert Melven presided.

Lydia circle met with Mrs. J. O. Hall and 15 members were present. Mrs. Harley Shepherd presented the lesson, Mrs. Morris Skaggs gave the devotion and added instrumental music. Mrs. Hall was assisted by Mrs. Bill Williams and Mrs. Shepherd.

Ruth circle, Mrs. Ruth Gidcumb, chairman, met in the parlor of the church with nine members attending. Mrs. Adolph Bair presented the lesson, Mrs. C. M. Jones gave the devotion and Mrs. Ed Bozarth, Mrs. Jess Hunt and Mrs. Harry Horning assisted the hostess.

Martha circle met in Wesley center with Mrs. C. E. Wing presenting the lesson. Mrs. Herman Schwartz gave the devotion and the hostesses were Mrs. C. R. Hossler and Mrs. Ira Cozart.

Fellowship S. S. Class Meets With Mrs. Donna Clayton

The Fellowship Sunday school class of the Dorrisville Baptist church met recently in the home of Mrs. Donna Clayton. Roll call was answered with scripture verses and the closing prayer was led by Mrs. Rowena Brown.

Games were played during the social hour and prizes were won by Mrs. Peggy Ledbetter, Mrs. Norma Jenkins and Mrs. Opal Simpson. Mrs. Rowena Brown won the door prize.

Refreshments of ice cream, cake, coffee and soft drinks were served and the following were present: Mrs. Opal Pittman, Mrs. Peggy Ledbetter, Mrs. Rowena Brown, Mrs. Rita Lane, Mrs. Judy Cline, Mrs. LaVern Clayton, Mrs. Mary Lois Miles, Mrs. Norma Jenkins, Mrs. Opal Simpson, Mrs. Dolores Brashear and son, Benny, Mrs. Donna Ferrell, Mrs. Mildred Clayton and the hostess, Mrs. Donna Clayton.

Faithful Followers Class Meets In Baptist Church Parlor

The Faithful Followers Sunday school class of the First General Baptist church met recently in the church parlor. Carl Winkelman led in prayer and during the business meeting an election of officers was held. The new officers were elected as follows: Natalie Wright, president; Sam Dudley, vice president; Mary Winkelman, secretary; Mary Dudley, assistant secretary; Carl Winkelman, treasurer, and Elsie Pollard, corresponding secretary.

Pie, coffee and soft drinks were served and the following were present: Mr. and Mrs. Heze McCuan and Ronnie, Mr. and Mrs. Gene Wright, and Robin, Mr. and Mrs. Carl Winkelman and Carl, Mrs. Linda Deaton, Mr. and Mrs. Sam Dudley and Billy Keith, Linda Lou, Cathy Jean and Sammy, Mr. and Mrs. Norman Pollard and Gary Ray, Marla Sue, Debra Jean and Maurice Dale and a visitor, Raelene Webb.

The next meeting will be held May 16 at 7 p. m. Class members are urged to attend.

Presbyterian Carrie Wilson and Sarah Wiedemann Circles Meet

The Sarah Wiedemann circle of the First Presbyterian church met in the home of Mrs. M. D. Nesler Wednesday afternoon and nine members were present. Mrs. Paul Halbersleben, president of the Women's Guild, was a guest at the meeting. Mrs. Fred Gilbert presented the study, "Luke, the Physician," and Mrs. Perry Moore gave the World Service program. Mrs. Walter Coulter gave the Yearbook of Prayer.

Following the business and study meeting refreshments were served.

The Carrie Wilson circle met with Mrs. Louis Conover and eight members attended. Mrs. Edgar Kaemper gave the Bible study, "Luke, the Physician," and Mrs. Louis Gaskins gave the Yearbook of Prayer.

Following the business and study meeting there was a social hour and refreshments were served.

Ricketts-Spears Wedding Date Will Be May 3

The wedding date for the marriage of Miss Susan Ricketts, daughter of Mr. and Mrs. H. O. Ricketts and S. J. Harry L. Spears, son of Mr. and Mrs. Earl Spears, will be Saturday, May 3, instead of April 26 as announced in Thursday's Daily Register.

The marriage will be solemnized at the First Baptist church of Carrier Mills at 6 o'clock on May 3.

Atty. and Mrs. Joe M. Butler returned last night from a two-day visit in Chicago.

American farmers produced about 40 per cent more goods in 1956 than in 1940.

Golden Rule Circle Meets With Mrs. Betty Ledbetter

The Golden Rule circle of the First General Baptist church met in the home of Mrs. Betty Ledbetter Wednesday evening. Mrs. Katie Shewmake was assistant hostess.

Mrs. Virgil Wright called the meeting to order and read Psalm 5. The group joined in prayer and sang songs. Mrs. Chris Church read the minutes of the previous meeting and birthday songs were sung for Mrs. Harvey Deaton and Mrs. Elwood Harris. It was voted to start the meetings at 7 p. m. instead of 7:30 p. m.

Refreshments were served and the following attended: Mrs. Edna Spurlock, Mrs. Pierce Wright, Mrs. Harvey Hicks, Mrs. Chris Church, Mrs. Virgil Wright, Mrs. Lester Brinkley, Mrs. Texal Parrish, Mrs. George Fowler, Mrs. William Spurlock, Mrs. Harvey Deaton, Mrs. Ona Melton, Mrs. Elwood Harris, Mrs. Silas Black, Mrs. Wittie Rodgers, Miss Edna Logsdon, Mrs. Jesse Lee, Mrs. Jim Shewmake, Mrs. Willard Fleming, Mrs. Nell Dooley, Mrs. Betty Ledbetter and children and visitors, Darlene Shewmake, Jackie Ann Lee, and Phyllis Jean Harris.

The closing hymn was sung and Mrs. Melton dismissed the meeting with prayer.

Sons and Families Honor Mrs. Ada Lane's Birthday

Mrs. Ada Lane was the guest of honor at her birthday celebration Sunday in the home of Mr. and Mrs. John Lane, RFD 3, Eldorado. Her eight sons and their families, including grandchildren and great-grandchildren, numbering 70 guests, came to the party, many from a considerable distance.

The huge birthday cake, appropriately decorated, held the center of the dinner table and Mrs. Lane received many useful and attractive gifts from her children, expressing their admiration and regard.

SIU to Offer Adult Course in 'Psychology Of Human Relations'

A six week adult course in "The Psychology of Human Relations" will be offered in Eldorado during May and June by Southern Illinois University's Division of Technical and Adult Education.

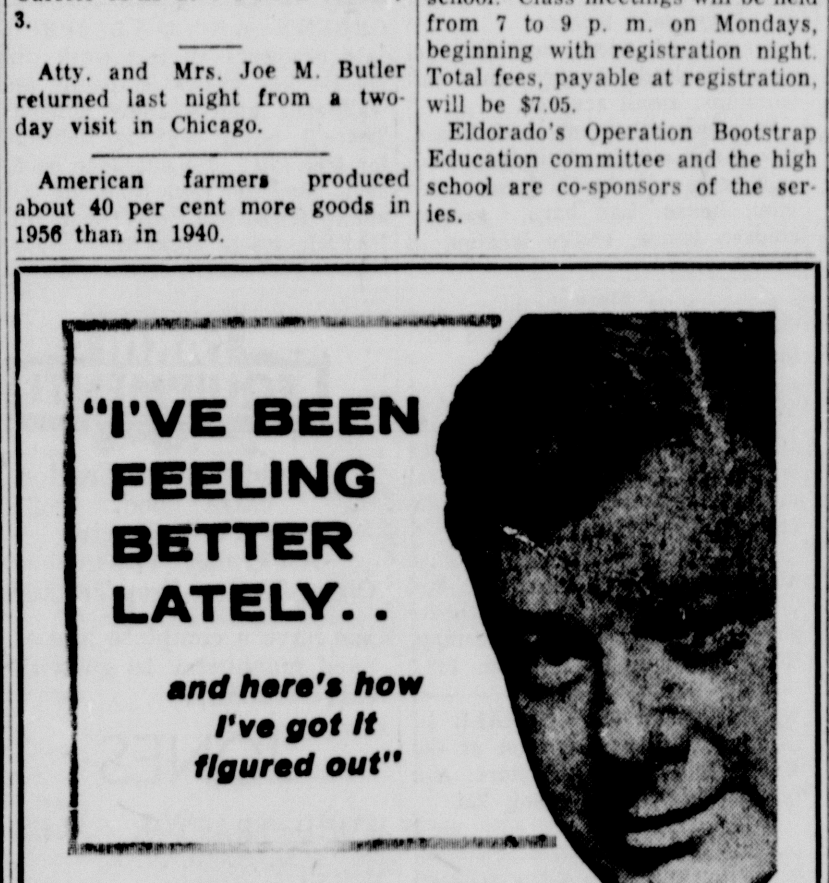

Designed to "provide a better life for those who understand human behavior and reactions," the course will be taught by Dr. William Westberg, professor of industrial psychology at SIU and a well-known area consultant in the field.

Registration for the non-credit course will be held at 7 p. m., May 5, in Eldorado Township high school. Class meetings will be held from 7 to 9 p. m. on Mondays, beginning with registration night. Total fees, payable at registration, will be \$7.05.

Eldorado's Operation Bootstrap Education committee and the high school are co-sponsors of the series.

"I'VE BEEN FEELING BETTER LATELY.."

and here's how I've got it figured out"

After making this statement to his studio audience, Arthur Godfrey said: "I've been using Niagara Cyclo-Massage® these past few weeks... and I do believe it helps me to relieve tension and nervous fatigue due to overwork and over-exercise. It also helps me sleep better... and I think it does these things through increased circulation of blood. Now I don't suffer from arthritis, but they tell me that Niagara Cyclo-Massage® is terrific for chronic arthritis pains, too."

Clinical research in leading institutions has repeatedly proved the accuracy of Mr. Godfrey's statements. And many thousands of individual users have discovered for themselves the exceptional health-promoting benefits made possible through Niagara. An amazing, drugless "miracle of science," it provides soothing, gently penetrating massage action that fills one with a wonderful feeling of well being.

ELECTRIC RANGE NO LONGER REQUIRED

Most People Can Enjoy Special Low Rate for Electric Water Heating

Central Illinois Public Service Company announces a change in its controlled electric water heating service which eliminates the previous requirement that a customer also must have an electric range connected.

The change makes any residential customer eligible for the lower cost controlled service. There is no change in the provision relating to the size of heating elements.

The controlled water heating rate is offered customers during "off peak" hours — hours when there are relatively fewer demands for electricity.

This service offers approximately 16 1/2 hours of heating rate is offered customers during "off peak" hours.

electric water heating daily at 1 1/4 cents per kilowatt-hour — considerably lower than the regular residential rate. Most customers who heat water electrically find this off peak service meets their needs.

Those planning to install an electric water heater, or have one not now connected for this special service, are urged to contact their nearest CIPS office for further details. Hot water needs will be analyzed to determine the type and size heater required to take advantage of the special electric water heating rate and to assure an ample supply of hot water.

Be sure and ask about the CIPS FREE WIRING PLAN FOR RANGES AND WATER HEATERS

In Memoriam
In loving memory of our father,
George Thomas Morgan, who died
April 26, 1951:
In the cemetery not very far away,
Lies a dear and loving father,
That God called away.
He called him to his home on
High.
We cannot understand just why,
Oh, how we miss you,
No one will ever know.
God gave us strength to bear it,
Courage to meet the blow.
What it meant to lose you,
This world will never know.
Folks may think we have forgot-
ten you.
When they see us smile,
But they do not know the heart-
ache
That hides behind it all the while.
Sadly missed by Mrs. Margaret

Administration Actions So Far Should Boost Economy: Nixon

NEW YORK (AP)—Vice President Richard M. Nixon said Thursday night there are "substantial indications" that measures taken by the Eisenhower administration so far "will be all that will be required to give the economy the help it needs."

He said that if further govern-

Marine Killed, Two Injured in Highway Mishap

ALEXIS, Ill. (AP)—A Marine private was killed and two companions seriously injured early today when their car apparently struck a section of pipe which dropped from a truck on Ill. 135 two miles west of here, state police reported.

Police tentatively identified the dead man as Marine Pvt. Charles Schultz, 19, Minneapolis, Minn. The identification, authorities reported, came from his drivers' license.

Injured were Marine Pvs. Harry Schultz, 20, apparently the dead man's brother, and Dan Simms, believed to be from St. Paul, Minn., police said. Harry Schultz was reported in critical condition at Monmouth Hospital at nearby Monmouth, where the two injured men were taken.

Police said the Marines' vehicle apparently was passing the semi-trailer truck going in the opposite direction when a 20-foot section of steel pipe came loose and penetrated the car. The automobile went over an embankment and was demolished.

The truck driver, George Smedley, 59, Beardstown, was not injured. State police said he had been ticketed for unloading on a highway.

Plane Hijacked At Miami Airport

MIAMI (AP)—Lanica Airlines reported today that someone stole one of its cargo planes and took off from Miami International Airport at 1:25 a. m.

Albert Rodez, Miami manager of the Nicaraguan Airlines, said the C46A two-engine plane was loaded with "normal" cargo for Managua, Nicaragua, at 5:30 a. m.

Rodez said he had asked local authorities and the FBI to investigate.

Rodez said he could not speculate who might have taken the plane on the unauthorized flight. He said he had no indication that it might have been Cuban rebels grabbing the plane for Fidel Castro forces in Oriente province of Cuba.

Several Cuban rebels have been arrested and thousands of rounds of ammunition and weapons seized here during the past two years before they could be smuggled to the Castro forces.

Reynolds Attends Meeting of Theatre Men Held in St. Louis

Paul Reynolds, manager of the Grand and Orpheum theatres, went to St. Louis to attend a ticket selling workshop for theatre men at the Kingsway-Ambassador hotel, Monday, April 21. The workshop, sponsored by Sindlinger & Company, business analysts of Philadelphia and New York, was an all-day meeting at which appeared a corps of outstanding motion picture industry spokesmen who revealed new plans for enticing more of the public back to the movies.

Sindlinger & Company conducts daily interviews in all the 48 states and they say the public is beginning to tire of movies on TV and theatres can expect an increase in attendance, particularly since the calibre of pictures offered can't be matched for pure entertainment elsewhere. For instance, soon will be shown such outstanding pictures as these at the Grand and Orpheum theatres: "Teacher's Pet," "Quiet American," "Female Animal," "Seven Hills of Rome," Marjorie Morningstar," "The Brothers Karamazov," "Saddle the Wind," "The Long Hot Summer," "The Young Lions" and many others.

And consumer buying isn't the whole answer, either, Nixon said. Business, he said, has got to get out and sell, at attractive prices.

"New products, increased advertising, lower prices can have a dramatic effect on consumer psychology," Nixon said.

Labor leaders also have a responsibility, Nixon said, to restrain themselves from seeking a round of wage increases which are based on neither increased productivity nor the correcting of inequities.

He called for a goal of annual economic growth of five per cent, as he noted was recommended by the Rockefeller Brothers Fund, Inc., special projects report earlier this week.

There also is an item with picture about the Galatia tobacco factory, the firm of H. Webber & Son.

"They employ, during the handling season, upwards of fifty hands and the annual shipments will reach one million pounds," says the story.

"The foreign markets are the chief buyers of the output. By the representation of such a concern in Galatia it easily places the town as being one of the chief trading centers of southern Illinois."

Pankey's have Baked Fine Since 1909, but 11 years before that the baker was Charles Tate, whose bakery shop was on Locust street near the square. In 1898 Mr. Tate had been in the bakery business for 19 years, although during that period, the story said, he left after learning the trade here and had worked in larger cities, "where he acquired a thorough knowledge of fancy cake and bread making."

Galatia Community Unit School Board Organizes

The board of education of the Galatia Community Unit School District held its organizational meeting on April 18. T. W. Weight (Tate township) was elected president. Paul Drott (Brushy township) and Joe Small (Brushy township) were elected vice-president and secretary, respectively.

Other members of the board are John Boyett, Terry Fowler, and Jesse Higgins, all of Galatia township, and Lloyd Oglesby of Long Branch township.

Higgins is the only new member on the board. Drott was re-elected on April 12.

Woman Lunges At Ike; Is Held For Observation

WASHINGTON (AP)—A woman who fought her way to within six feet of President Eisenhower before Secret Service agents dragged her away was under observation today at District of Columbia Hospital.

Secret Service agents identified the woman as Mrs. Edith Finch of Brookline, Mass. She approached the startled President and Mrs. Eisenhower Thursday as they left the Smithsonian Institution.

"I have to get to him," she screamed when agents stopped her. The President, looking dumbfounded, commented "I'm sorry" as agents hustled Mrs. Finch into a car and took the small, red-haired woman to a field office.

Secret Service Chief U. E. Baughman said the same woman tried to get in the White House gate a week ago. She gave her age as 42 then and 27 Thursday.

In Dorchester, Mass., her brother Louis Di Cicco, told newsmen Mrs. Finch had toured the nation as a nightclub dancer for 15 or 20 years under the name of "Ginger Carroll."

Yugoslavia Denies Assassination Attempt on Tito

LJUBLJANA, Yugoslavia (AP)—Yugoslav Communist Party officials today denied a Rome report that an assassination attempt was made on President Tito Thursday afternoon.

Officials described as "utter nonsense" a report by the Italian news agency Ansa that two guards were wounded during the attempt.

"The report is completely unfounded," said Slobodon Krstic, the chief Foreign Office representative to the congress.

The officials said Tito was present the entire day Thursday at Yugoslavia's seventh party congress and left with his wife Jovanka in the evening direct for his Ljubljana residence.

'Fast' Time to Begin Sunday In Many Areas

By United Press

Time zones of the nation take on their annual checkerboard look Sunday as more than half of the states along with the District of Columbia, go on daylight savings time or "fast time" for the summer months.

A major factor which has influenced many areas to adopt daylight savings time is its use by the federal government. Military posts throughout the nation as well as federal offices officially switch to daylight savings time at 2 a. m. local time April 27.

Federal observance of DST ends at 2 a. m. local time Oct. 26. Most areas follow the federal time pattern.

A few states, part of Pennsylvania, Nevada, California, and Illinois have announced Sept. 28 as the switch-back date.

Television viewers across the nation will not be affected as much by the time change this year. Most shows are controlled by New York time which becomes daylight savings time Sunday. At least one major network, National Broadcasting Co., has arranged for taped versions of the shows to be used in other areas this year to avoid some of the time confusion. The other major networks are expected to take similar action.

South Carolinians employed in the textile industry share an annual payroll of approximately \$440 million.

Five Children Burn to Death

ST. LOUIS (AP)—Five children burned to death and their mother was critically burned today when fire spread from an overheated coal stove and destroyed the home.

All of the children of Mr. and Mrs. Ora Lee Washington died in the flames. They were tentatively identified as Paul, 8, Willie Ann, 7, Martha Fay, 5, Fred Lee, 3, and Jane Rebecca 9 months.

The mother told St. Louis County hospital authorities that the blaze apparently spread from a coal stove in which the father had built a wood fire. She said he left for work about 6 a. m.

Rescue Woman After Lying Three Days in Wilderness

DAYVILLE, Ore. (AP)—Mrs. Patricia Davis, 35, who lay with a fractured pelvis in a rugged mountain wilderness for three days while her husband trudged through snowdrifts to seek help, was recovering from her ordeal today "in fighting spirit."

Mrs. Davis and her husband, Erue, 36, a Fresno, Calif., orchestra leader, were injured late Monday when their light plane crashed 11 miles south of here in Malheur National Forest.

They were flying from Fresno to Spokane, Wash.

A helicopter crew landed on a frozen lake a quarter of a mile from the crash scene Thursday and rescued Mrs. Davis 11 hours after her husband staggered to a ranch house and asked for help.

Tornado Rips Mississippi Area

By United Press

A tornado ripped through a tiny Mississippi hamlet Thursday night destroying at least five homes.

Several homes also were damaged near the community of Nitta Yuma, 10 miles north of Rolling Fork, Miss., in the wake of the twister and hail-studded thunderstorms. Authorities said the occupants of the homes, all Negroes, were uninjured.

Blustery weather Thursday was

marked by 50-mile-an-hour gusts which damaged porches in Pittsburgh, ripped down wires and trees, and by occasional tornado sightings. Other than the twister which hit Nitta Yuma, however, no funnels touched ground.

The U. S. Weather Bureau reported that locally high winds and hail lashed across the lower Midwest Thursday night. Heavy thunder showers deposited about an inch of rain in parts of northern Alabama.

STEWART-GRAVES WEDDING

Miss Elaine Stewart, daughter of Mr. and Mrs. Orville Stewart, Rt. 3, Marion, and LeRoy Graves, son of Mr. and Mrs. McKinley Graves, who reside northeast of Crab Orchard, Rt. 1, Pittsburg, were united in marriage Saturday at 7 p. m. in the Coal Bank Baptist church southeast of Crab Orchard.

Rev. Olen Clarida, pastor of the church, officiated at the double ring ceremony before an altar decorated with white magnolias.

Mrs. Ruel Bracy, Marion, played the traditional selections prior to the ceremony.

The bride wore a street length dress of white cotton with lace over taffeta. Her fitted bodice was fashioned with a sweetheart neckline. Her dress had short sleeves and a bouffant skirt was belted with a wide taffeta sash ending at the hem line. Her small hat was showered with rhinestones. She wore a necklace and ear ring set of rhinestones and pearls which was a gift from the

groom. Her corsage was lovely pink roses.

Miss Karen Forbes, Marion, preceded the bride to the altar. Miss Forbes wore a pastel pink dress. The bridesmaid, Miss Sharon Cuttrel, Marion, wore a powder blue dress. Both girls wore corsages of white carnations.

Kenneth Graves, Marion, a Crab Orchard high school teacher, served as best man for his brother. Another brother, Sam Graves, of Harrisburg, was groomsmen.

The mother of the bride, Mrs. Stewart, wore a powder blue dress with black accessories. Mrs. Graves, the bridegroom's mother, wore a navy suit with accessories to match. Each wore corsages of white carnations.

The bride is a senior at the Marion high school. The bridegroom is a graduate of the Crab Orchard high school and former basketball star. He has been employed with the Western Electric Co. in Chicago.

A reception immediately followed the wedding ceremony at the home of the bride's parents, Mr. and Mrs. McKinley Graves. Miss Velma Graves, the bridegroom's sister, and Mrs. Janet Stewart, sister-in-law of the bride, served at the reception.

The bride's table was beautifully arrayed with a white linen cloth and upon it was a huge three tiered wedding cake attractively encircled with magnolia blossoms.

The bride will continue to reside at the home of her parents, Mr. and Mrs. Orville Stewart, Route 3, Marion. The bridegroom entered the U. S. Army on April 17.

COMMUNITY CHURCH SERVICES

Will be held Wednesday night, April 30, at 7:30 p. m. at the Creal Springs Church of God, with Rev. Paul Mass, pastor of the Creal Northern Baptist church, as the speaker. Rev. A. E. Austin is the church pastor. All churches regardless of denominations are invited to attend.

Special music will be rendered from different churches.

CREAL CHURCH MAKES PURCHASE

The officials and members of the Assembly of God Church in Creal Springs have purchased the residence and two lots just south of the church in Creal Springs. They have sold the 5-room home which will soon be removed, after which lots will be converted into parking space for the church and same will be graveled.

The residence dates back to about 1883 or around 75 years ago when erected.

INDIA MISSIONARY TO BE AT CREAL CHURCH

Rev. Dennis Morningstar, pastor of the Assembly of God church in Creal Springs announces that Rev. Annie Hutson, missionary in India, will be at the Assembly of God Church, Tuesday night, April 29. She will be dressed in Indian costume, and will present pictures with a lecture. The public is invited to attend.

Woman's Club Meets at High School April 14

The Federated Woman's club met at the high school Monday, April 14, at 7 p. m. for its meeting of the month.

The meeting was called to order by the president, Mrs. Loren Dallas, who welcomed the visitors. The pledge to the flag was led by Mrs. Norman Nolen and Mrs. Hugh Miller gave meditation reading from Genesis. Her topic was based on the first home.

After the business, election of new officers was held. Those elected are as follows: Mrs. George Whitney, president; Mrs. Hugh Miller, first vice-president; Mrs. Cressie Holmes, second vice-president; Mrs. George Henson, recording secretary; Mrs. Oscar Kingery, treasurer; Mrs. George Campbell, corresponding secretary.

The meeting was then turned over to the program chairman, Mrs. Carl Dillow, who in turn introduced Mrs. Harold James, home economics teacher of the high school. Girls in her classes gave a splendid program on homes and also a style show.

After the program, the group retired to the economics room where the girls served refreshments of pink meringue molds with ice cream topped with chocolate sauce, coffee and tea and nuts.

The visitors from Stonefort were Mrs. Sim Richerson, Mrs. Louise Walker, Mrs. Helen Hill, Mrs. Myrtle Myres and Mrs. Cecil Dameron. Mrs. Ethel Twente from Harrisburg was present and several from Carrier Mills were there.

The next meeting will be held May 12 with Mrs. Bertha Durfee giving a book review.

Louis Williams Is Elected Outstanding Employee at Manteno State Hospital

Louis Williams, a former Carrier Mills resident, has been elected an Outstanding Employee at the Manteno State hospital.

A release from Manteno regarding Williams' election to the group states in part "Louis Williams, psychiatric aide assigned to Bowen I acute hospital, was elected an Outstanding Employee because of his humane patient relationships and job performance while working in a difficult area."

"A visitor, who came to see a critically ill father at midnight made the comment that this employee works with all his heart, that he takes an interest in the patient's welfare and is always kind and friendly."

"A new employee, working with Williams, said 'Possibly I shall never become as skilled as he, but only 50 per cent as efficient would be a feather in my cap.'"

The release points out that Bow-

LOUIS WILLIAMS

en I is a hospital within a hospital and has proved to be an enigma to many.

Bowen stresses the care and treatment of mental patients and is charged with the responsibility of treating their physical disorders as well. More than 2,000 patients are admitted annually.

Williams has worked the 11-7 shift at Bowen I since completing inservice training June, 1955.

His awards as an Outstanding Employee are attendance at the Mental Health Dinner at the Conrad Hilton Hotel, a framed certificate and two extra vacation days. He will sit with the honored employees during the hospital's open house program Sunday.

CMCHS Students Win Ratings in State Music Contest

Carrier Mills Community high school music students won four superior and two excellent ratings in the state music contests held at Charleston Friday.

Superior ratings were won by: Larry Edwards, piano solo; Lorna Dallas, girls' high voice; Charles Rann, boys' medium voice; Larry Edwards, Kressie McNew, Jarrell Chaney, Charles Rann, boys' quartette, accompanied by Marjean Miller.

Excellent ratings were won by: L. C. Keel, trombone solo; Betsy Ammon and Carolyn Wyatt, baton twirling duet.

Tom Whiteside, CMCHS director of music, stated was the fourth consecutive year for Larry Edwards to win a superior rating in piano solo.

The little girl died Friday, the day of birth.

"IMAGINATION RULES THE WORLD"

Scientists first use their imagination to figure out what can be the possible causes of a disease. Then they research each theory until they are positive of their basic facts.

Next, the chemists create a formula, or sometimes even a new man-made chemical, that will accomplish the desired result.

After it has been clinically tested for safe use, the new discovery is sent to our prescription departments. Our physician prescribes it, we pharmacists compound it and another disease can be treated better than ever before.

"How do I go about getting a bank loan?"

It's simple. Come in and tell us how much you need, what you need it for, and how you expect to repay the loan. The main requirements for borrowing at our bank are these: The borrower should have regular earnings or other income, and a reputation for meeting obligations when due; the loan should be for a sound purpose. If you need credit for a personal, family or business need, and think you can meet these requirements, see us about arranging a convenient-to-repay, low-cost bank loan.

Credit Life Insurance is available on our loans which pays loan off in the event of your death; also disability which pays your installments while you are disabled.

STEWART-GRAVES WEDDING

Miss Elaine Stewart, daughter of Mr. and Mrs. Orville Stewart, Rt. 3, Marion, and LeRoy Graves, son of Mr. and Mrs. McKinley Graves, who reside northeast of Crab Orchard, Rt. 1, Pittsburg, were united in marriage Saturday at 7 p. m. in the Coal Bank Baptist church southeast of Crab Orchard.

Rev. Olen Clarida, pastor of the church, officiated at the double ring ceremony before an altar decorated with white magnolias.

Mrs. Ruel Bracy, Marion, played the traditional selections prior to the ceremony.

The bride wore a street length dress of white cotton with lace over tulle. Her fitted bodice was fashioned with a sweetheart neckline. Her dress had short sleeves and a bouffant skirt was belted with a wide tulle sash ending at the hem line. Her small hat was showered with rhinestones. She wore a necklace and ear ring set of rhinestones and pearls which was a gift from the

groom. Her corsage was lovely pink roses.

Miss Karen Forbes, Marion, preceded the bride to the altar. Miss Forbes wore a pastel pink dress. The bridesmaid, Miss Sharon Cutrell, Marion, wore a powder blue dress. Both girls wore corsages of white carnations.

Kenneth Graves, Marion, a Crab Orchard high school teacher, served as best man for his brother. Another brother, Sam Graves, of Harrisburg, was groomsmen.

The mother of the bride, Mrs. Stewart, wore a powder blue dress with black accessories. Mrs. Graves, the bridegroom's mother, wore a navy suit with accessories to match. Each wore corsages of white carnations.

The bride is a senior at the Marion high school. The bridegroom is a graduate of the Crab Orchard high school and former basketball star. He has been employed with the Western Electric Co., in Chicago.

A reception immediately followed the wedding ceremony at the home of the bride's parents, Mr. and Mrs. McKinley Graves. Miss Velma Graves, the bridegroom's sister, and Mrs. Janet Stewart, sister-in-law of the bride, served at the reception.

The bride's table was beautifully arrayed with a white linen cloth and upon it was a huge three tiered wedding cake attractively encircled with magnolia blossoms.

The bride will continue to reside at the home of her parents, Mr. and Mrs. Orville Stewart, Route 3, Marion. The bridegroom entered the U. S. Army on April 17.

Louis Williams Is Elected Outstanding Employee at Manteno State Hospital

Louis Williams, a former Carrier Mills resident, has been elected an Outstanding Employee at the Manteno State hospital.

A release from Manteno regarding Williams' election to the group states in part "Louis Williams, psychiatric aide assigned to Bowen I acute hospital, was elected an Outstanding Employee because of his humane patient relationships and job performance while working in a difficult area."

"A visitor, who came to see a critically ill father at midnight made the comment that this employee works with all his heart, that he takes an interest in the patient's welfare and is always kind and friendly."

"A new employee, working with Williams, said 'Possibly I shall never become as skilled as he, but only 50 per cent as efficient would be a feather in my cap'."

The release points out that Bow-

LOUIS WILLIAMS

en I is a hospital within a hospital and has proved to be an enigma to many.

Bowen stresses the care and treatment of mental patients and is charged with the responsibility of treating their physical disorders as well. More than 2,000 patients are admitted annually.

Williams has worked the 11-7 shift at Bowen I since completing inservice training June, 1955.

His awards as an Outstanding Employee are attendance at the Mental Health Dinner at the Conrad Hilton Hotel, a framed certificate and two extra vacation days. He will sit with the honored employees during the hospital's open house program Sunday.

Observe Student Council Week April 28-May 2

Carrier Mills Community High school will observe Student Council Week April 28-May 2.

Wednesday will be Student Teachers Day when Student Council members will take the place of faculty members. The purpose of this day, Principal Carl Dillow stated, "is to promote student-teacher relations."

Student Council members and the faculty positions they will fill: Larry Edwards, principal for Carl Dillow; Lorna Dallas, secretary for Aline Keel;

Charles Rann for Sam Porter, biology; Peggy Berns for Mabel Porter, English and library; Linda Murphy for Harry Gene Moore, mathematics and physics;

Charlotte Davis for Helen Gurney, English and girls' physical education; Bob Mitchell for Donald Brake, industrial education;

Judy Beal for Geraldine James, home economics; Georgia Moore for Tom Whiteside, music;

Harold Prather for A. L. Willis, driver education and boys' physical education; Nina Davidson for Mary Richardson, commercial studies; Mary Overstreet for Jean Crowder, social studies.

Other days during the week have been designated as follows: Monday, "Dress Up Day," when all students are encouraged to dress up and be "more conscious of their appearance and the impression they make on others;"

Tuesday will be "Courtesy Day," when Student Council members will carry books and wait on other students throughout the school day.

Thursday will be "Hobo Day" and all students will dress as hobos. This will be in direct contrast to "Dress Up Day" and will call attention to how students look when no pride is taken in their appearance; a "style show" will also be held on the afternoon of hobo day.

Friday will be "Clean Up Day" with activities to beautify the school, both inside and outside, will be featured.

"How do I go about getting a bank loan?"

It's simple. Come in and tell us how much you need, what you need it for, and how you expect to repay the loan. The main requirements for borrowing at our bank are these: The borrower should have regular earnings or other income, and a reputation for meeting obligations when due; the loan should be for a sound purpose. If you need credit for a personal, family or business need, and think you can meet these requirements, see us about arranging a convenient-to-repay, low-cost bank loan.

Credit Life Insurance is available on our loans which pays loan off in the event of your death; also disability which pays your installments while you are disabled.

Merchants to Play Murphysboro Red Wings Here Sunday Afternoon

The Harrisburg Merchants baseball team will open its baseball season Sunday afternoon at 2 o'clock when the Murphysboro Red Wings come to town for a game on the VFW field.

Don Wallace probably will start this game for the Merchants on the mound with Harold Guley, Ray Tonazzi and Don Stout also scheduled to do some pitching. Wallace leaves for the Army Monday. He has played the past few seasons for the local team, pitching and playing outfield.

Other players who probably will see action for Harrisburg are: Bob Dallas, Dick Romonosky, Francis Florian, Floyd Shewmake, Don Karnes, Bill McNew, Guy Hay, Ray Sisky, Rod Smith, James Hay, Hull and Paul Emery.

The Merchants will practice Saturday at 4 p. m. on VFW field.

Walls with Three Homers Leads Cubs To 15-2 Victory Over the Dodgers

Cub Outfielder Drives In Eight Runs in Game

By United Press

Lee Walls, a "lousy golfer," used the Los Angeles driving range to hit three perfect "nine-iron shots" that had the Dodgers plenty teed off today and the surprising Cubs sitting pretty atop the National League.

As a golfer, Walls shoots in the 100's, and as a hitter he totaled only six home runs and 33 runs batted in last season.

But the Cub outfielder really takes to that Coliseum "course," especially the friendly left-field screen which is only 83 yards from home plate—an easy nine-iron shot for any pro. He liked it so much Thursday that he blasted three home runs over it and drove in eight runs in a runaway 15-2 victory over the Dodgers.

Walls didn't play any favorites, either. He socked his first homer off loser Don Drysdale with one on in the first inning, his second off Roger Craig with two on in the fifth, and his third off Ron Negray with one on in the seventh. Bobby Thomson also homered for the Cubs.

Rookie Gene Fodge shut out the Dodgers until Charley Neal hit a homer in the seventh. Don Zimmer also connected in the eighth.

What burns the Dodgers so much about that censored screen is that some joker told them it would work out to their advantage. It certainly hasn't so far. Opposing clubs have hit 14 homers at the Coliseum while the Dodgers have hit only nine. Three of those enemy clouts were off Drysdale, who

dropped his third straight game Thursday.

Snider Plays Six

The only consolation the Dodgers played six innings and got one hit in three trips. Snider had been fined a day's pay for spraining a tendon Wednesday night while trying to toss a baseball over the rim of the Coliseum.

In other National league games, Warren Spahn and Hank Aaron combined to lead the Braves to a 6-2 triumph over the Redlegs; the Giants came up with two runs in the ninth to beat the Cardinals, 6-5, and the Pirates defeated the Phillies, 7-4.

The Red Sox climbed out of the American League cellar with a 4-3 victory over the Orioles in 10 innings, Kansas City retained second place with a 7-2 decision over Detroit, and the Indians dumped the White Sox into the basement by beating them, 6-4. Rain postponed the Yankees-Senators game.

Spahn, who beat the Redlegs six games out of seven last year and holds a 46-15 lifetime edge over them, held Cincinnati to seven hits while Aaron connected for his third and fourth homers of the campaign. Brooks Lawrence yielded Milwaukee's first three runs and was charged with the loss.

The Giants won their game from the Cards when Daryl Spencer beat out an infield hit with the bases loaded in the ninth. Ex-Giant Ray Katt had put St. Louis ahead with a homer off winner Ray Crone in the top of the ninth but Katt's error allowed San Francisco to score the tying run in the bottom of the frame. Hank Sauer hit his fourth and fifth homers of

Mothers Days May 2-3-4 on U. of I. Campus

Campus Mothers Days will be observed May 2-3 at the University of Illinois as has been the custom since 1921. Plans of the U. of I. Mothers Association, first and largest organization of its kind, have been completed according to Miss Ann J. McNamara, associate dean of women and secretary of the association.

Mrs. B. G. Funkhouser, Saline county chairman, reminds the mothers that all mothers are automatically a member of the association, but that mothers who pay the \$1 dues customarily assessed, become contributing members. All mothers are urged to attend the Mothers Association meeting at 10 a. m. following the coffee hour, held in the Illinois Union Ballroom. President David Dodd Henry will address this meeting.

The association has made many contributions to the university through its silver fund, emergency fund, scholarships and publicity. With the growing needs in education today, the members feel that the contributions of the organization assume more importance than ever before.

Registration will begin at 11 a. m. Friday in the main lounge of the Illinois Union. The executive committee will meet from 11-12 a. m. and the county chairmen will meet in the faculty lounge from 3:30-5 p. m. Arthur Wildhagen, assistant director of public information, will address the group on "The University Building Program." This will be followed by the county chairmen dinner, with Charles E. Flynn, director of public information, speaking.

General registration will begin at 8:30 a. m. Saturday and the coffee hour will be followed by the U. of I. Mothers Association meeting. The program at this important meeting will include remarks by the dean of women, Miss Maria A. Sheldon, the dean of men, E. E. Stafford, and the address by President Henry. There will be a business meeting at which the election of officers will be held and the coronation and procession at 1:15 p. m. will close the meeting.

Families will attend church together on Sunday.

Mrs. Funkhouser reminds the mothers of this community that all meetings are scheduled on daylight saving time.

The Greenland ptarmigan molts three times a year. It has black and yellow feathers in spring, gray in fall and is pure white each winter.

Little, shooting for a fourth straight championship in this event, who sold for \$20,000, survived a double-bogey on the second hole (he hit his tee shot out of bounds) to shoot a 68—going six under par for the next 16 holes. He had nine of 35-33.

Venturi was so highly regarded by the gamblers that he sold for \$24,000. But he now trails the leaders by seven strokes—with 54 holes to go.

Behind the three leaders, tied at 69, came Stan Leonard, Vancouver, B. C.; Bill Johnston, Provo, Utah; and Tommy Bolt, Paradise, Fla.

INSIDE THE CAVE during a Saline County Historical Society field trip. The Cave Hill area and cave itself will be visited Sunday by the Auto Tour to leave Harrisburg at 9:30 from Rts. 34, 45 and 145 intersections.

Spring Auto Tours Off to Good Start; Visit Cave Hill Sunday

Spring Auto Tours in this area have had a good start. On April 12 there were sixty cars in a tour near the Ohio river in Hardin county, led by Dr. George Wilson and Bill Odum of the State Geological Survey. Veterans of the Ozark Tours and Auto Tours were in the caravan.

Last Sunday the Benton Camera club, led by Louis Martin and Lowell Dearing, enjoyed some of the wildest scenery in Pope county around Brown Hollow and Jackson's Hollow.

Future tours scheduled to date are as follows:

Sunday, April 27, 9:30 a. m. at Harrisburg intersection of Routes 34, 45 and 145 start to Cave Hill, 15 miles southeast above Sulphur Springs church. This is a rough, steep hike and the cave is muddy, requiring high buckled shoes or boots and rough clothing. It will be led by John Foster and Bill Farley. Bring good flashlights for tour of the cave itself.

May 3 and 4 on Lusk creek, east of Eddyville. See Coy King service station for further directions. This is an overnight camp-out with visitors welcome all or any part of both days. Led by Wayman Presley, Makanda.

May 18, Benton Camera club leads tour to Old Stone Face and the Pounds area. Visitors invited to join at Harrisburg 9:15 a. m. at Routes 45, 145 and 34.

May 25, Eddyville Scenic Sites Association will lead tour from

intersection to Hayes Canyon with other plans to be announced later.

June 1, tour of Johnson county spots will start from Vienna and Metropolis, led by Ned Gillispi, Frank Modglin and others.

June 6 and 7, Grand Tower camp-out and tours, led by Wayman Presley and the Upper 40 Explorer's club.

June 15, Cave-in-Rock boat cruise. Other tours, including Campbell Hill, Ava and Chester areas, will be announced later as plans are completed.

Enrollment Monday in Adult Driver Education Program at Carrier Mills

An adult drivers education program, sponsored by the Carrier Mills high school, will be held in the near future. It has been announced by A. L. Willis, instructor in driver education at CMCHS.

All interested in enrolling an adult driver education program are requested to meet at the Carrier Mills high school Monday at 7 p. m.

Idolized Cats

Early Egyptians made an idol of the cat because their food depended on the annual grain harvest and cats kept swarms of rats and mice from eating their nation's sustenance.
